Symbolism of the Persian Carpet

Saturday, January 21, 2023 from 2:00 – 4:00 pm

Concord Hall, 1407 Chapala Street, Santa Barbara, California

Presenter: Michael Kourosh, Santa Barbara Design Center

Modes of participation: Live Webcast and in Person (masks optional)

Local design dignitary Michael Kourosh will give a presentation on the craftsmanship, beauty and symbolism of Persian carpets where he will show photos and as well as authentic carpet samples from his collection. The symbolism of Persian carpets is handed down from generation to generation, extending back to before the Common Era. That symbolism often uses the imagery of nature to depict universal themes. But the symbolism is rich and varied, and may represent a variety of other motifs. Join us for this wonderful look at an ancient and evolving art form.
