The Department of Culture, Tourism, Nationalities and Religions of the Dnipro Regional State Administration and the Museum Centre of H.P. Blavatsky offer an international roundtable discussion on aspects and examples of preserving spiritual values in transformative education. The contributing role of the museum and challenges in the current world conflict will be addressed. Two Ukrainian speakers (via zoom) and Kirk Gradin from the IWC in Santa Barbara will each give a 20-25 minute presentation followed by questions and panel discussion.

Kirk Gradin is a local architect, illustrator and writer on topics of mystic philosophy, the arts and symbolism. He will discuss the enormous impact that H.P. Blavatsky had upon G.W. Russell, the much beloved writer, poet, mystic and educator who helped spark the Irish literary revival and growth of rural cooperatives among the poor and oppressed in Ireland in the early 1900s.

In-person @ The Institute of World Culture, Concord Hall, 1407 Chapala Street, SB
