Our speaker from the Ukraine, Professor Yuliia Shabanova, returns to the Institute via Zoom to talk about the Masonic movement in Vienna during Mozart's time. Professor Shabanova will discuss something about Mozart's operatic work in general, but the focus will be on Mozart's opera "The Magic Flute." She will explain how the symbolism of "The Magic Flute" expresses the Masonic ideal of the spiritual path. Participants are encouraged to read the libretto, which will be posted on the IWC web page, prior to the program.
