

Institute of World Culture

Saturday, October 18th, 2025 from 2-4 pm

Live and Livestream* - Concord Hall 1407 Chapala St., Santa Barbara

Presenters: Russ & Gerry Lewin

Description: Come explore the depths of the Mariana Trench, the interior of the atom, ride gravity waves, Einstein Rings, and Black Holes. Enjoy light in the Gardens of Giverny and Shelley's poetry; honor Divali, and learn from the illumination of mystics.
