DIMENSIONS OF LIGHT

NEW DATE! Saturday, October 25th, 2025 from 2-4 pm

Live and Livestream* - Concord Hall 1407 Chapala St., Santa Barbara

Presenters: Russ & Gerry Lewin

Description: Come explore the fabric of the space time continuum, the interior of the atom, gravity waves, Einstein Rings, and Black Holes. Enjoy light in the Gardens of Giverny and Shelley's poetry; and learn from the illumination of mystics.
